The **Grief Recovery Institute®** is the world's foremost authority on the topic of Grief. The Grief Recovery Method® is an action based program for moving beyond loss that is the most comprehensive Grief Recovery education and certification you will find. The Grief Recovery Certification Training will give you the tools you need to effectively help grievers recover from loss, as well as offer you an opportunity for personal healing. Certified Specialists are equipped with these tools to work within their Organization to provide a wide range of Grief Recovery Programs & Services in-house, and to assist the clients or communities they serve. The program was developed by John James, a Vietnam Veteran, who was going through grief and loss himself. This is not just a theory, it is a proven method that has worked for millions of people continuously for 40 years.
